

Supreme Soccer

Supreme Soccer has been successfully running children's football parties in Essex for the past 17 years delivering over 200 parties for children. Our feedback has always been fantastic, as we have always created that fun action packed environment that your child would love for their dream party no matter what time of the year it is. Nothing is more satisfying than creating the best birthday memories for their special day with Supreme Soccer! We understand that parties are unique for each child and family, and we will always endeavour to find the perfect set up that suits your child and the children attending the party.

Supreme Soccer has it's own outdoor facility based at The Glen (Glenwood School) with 3 pitches and a Summer House to cater for food and drinks during and at the end of the party. If you order the Champions League package your child will receive 1 day free of charge at one of our soccer Schools within the year, and if you order the World Cup package your child will receive 3 days free of charge within the year.

Please note the days must be within the same week
